

## Freedom of Choice Launches – [FOConline](#)

In the continual pursuit by Freedom of Choice to offer both advisers and their clients the online reports they require to make informed decisions regarding their investments, Freedom of Choice is proud to announce the launch of its new online service – [FOConline](#)

[FOConline](#) provides both advisers and their clients access to a more extensive range of interactive online reports, placing real-time account information at their fingertips 24/7. With over 15 new and enhanced reports now available, both advisers and their clients now have access to all the information they require to manage their FOC investments efficiently.

### Key Enhancements

- One login now gives you access to all your clients account details
- Access to 15 comprehensive and enhanced interactive reports including:
  - Fee aggregated Accounts
  - Portfolio Valuation Report
  - Portfolio Performance Report
  - Asset Allocation Report
  - Current Investment Profile Report
  - Member Benefit Statement
  - Beneficiary Details
  - Insurance Details
  - Dividend/Distribution Report
  - CGT Reports – Unrealised / Realised
  - Cash Transaction Listing Report
  - Portfolio Summary Report
  - Cash Balance Warnings Report
  - Client Account Balance Report
  - Member Holdings Report
- New Functionality
  - Insurance Online
  - Bulk Printing facility
  - Archived Statements

Please note that you can still use your current User Name and Password to access our new [FOConline](#) service. For further information regarding [FOConline](#) or to arrange an online demonstration please feel free to contact Freedom of Choice client services on 1800 806 013 or alternatively feel free to call me directly.

I trust that you will enjoy your new [FOConline](#) experience!

Kind Regards

Andrew Sa-Cordeiro  
National Business Development Manager
